Designer/Documentation Specialist

Exit Design is seeking a Designer/Documentation Specialist to join its talented team of design professionals. This individual would work closely with the team to participate in the ideation and development process, document designs for production, and assist in the oversight of the fabrication of projects.

Candidates should demonstrate excellent design and hand sketching skills and an interest in working in the built environment, with both 3D and 2D design solutions. A strong ideation process is a must. The ideal candidate for Exit Design should have experience working on projects involving multiple disciplines.

Individuals must be detail oriented, self-motivated with a strong conceptual and technical thinking. This position requires the ability to take direction from multiple people and prioritize tasks accordingly.

Exit Design creates visual communications that help people find their way, tell organizational stories, and discover moments of joy. Human-centered research is the foundation of our work. We consider each step along a visitor's journey and identify opportunities to surprise, delight, and enhance their experience at every turn. Through placemaking strategies and wayfinding experiences, we design moments that matter.

The Designer/Documentation Specialist position is a full-time position. Individuals should have 3-7 years experience. Excellent design and communication skills are critical.
