Graphic Designer

Exit Design is seeking a Graphic Designer to join its talented team of design professionals. This individual would work closely with the team to participate in the ideation and development process, to lead the development of information hierarchy, typography and branded elements.

Candidates should demonstrate excellent typography, great with grids and hierarchy, and an interest in working in the built environment with both 2D and 3D design solutions. A strong ideation process is a must. The ideal Graphic Design candidate for Exit Design should have experience working on projects involving multiple disciplines.

Individuals must be detail oriented, demonstrate critical/strategic thinking, self-motivated with a strong sense of typography and conceptual thinking. This position requires the ability to take direction from multiple people and prioritize tasks accordingly.

Exit Design creates visual communications that help people find their way, tell organizational stories, and discover moments of joy. Human-centered research is the foundation of our work. We consider each step along a visitor's journey and identify opportunities to surprise, delight, and enhance their experience at every turn. Through placemaking strategies and wayfinding experiences, we design moments that matter.

The Graphic Design position is a full-time position. Individuals should have 3–5 years experience. Excellent design and communication skills are critical.
