Planner

Exit Design is seeking a Planner to join its talented team of design professionals. This individual would work closely with the team to participate in the strategic planning of a project's methodology and planning and programming in support of the user experience.

Candidates should demonstrate excellent strategic thinking, planning experience, and an interest in working in the built environment, with both 3D and 2D design solutions. The ideal Planner candidate for Exit Design should have experience working on projects involving multiple disciplines.

Individuals must be organized, detail oriented, self-motivated with a strong critical and strategic thinking. This position requires the ability to take direction from multiple people and prioritize tasks accordingly.

Exit Design creates visual communications that help people find their way, tell organizational stories, and discover moments of joy. Human-centered research is the foundation of our work. We consider each step along a visitor's journey and identify opportunities to surprise, delight, and enhance their experience at every turn. Through placemaking strategies and wayfinding experiences, we design moments that matter.

The Planner position is a full-time position. Individuals should have 3-7 years experience. Excellent planning and communication skills are critical.
