## Assistant Project Manager

Exit Design is seeking an Assistant Project Manager to join its talented team of design professionals. This individual would work closely with the project management team, designers and studio leadership.

Candidates should be detail oriented, self-motivated and possess strong communication and organizational skills. The ideal candidate should have experience in data management, scheduling, overseeing work flows and calendars. Experience should include building and maintaining schedules, logistics coordination, overseeing design team workflow and have knowledge of the design and production process.

Exit Design creates visual communications that help people find their way, tell organizational stories, and discover moments of joy. Human-centered research is the foundation of our work. We consider each step along a visitor's journey and identify opportunities to surprise, delight, and enhance their experience at every turn. Through placemaking strategies and wayfinding experiences, we design moments that matter.

The Assistant Project Manager position is a full-time position. Individuals should have 1-3 years experience in project, account or traffic management in fields related to architecture or agency/design firms.
